PERSONAL DETAILS

First name: SUHAIL

Surname: KHUROO

Nationality: INDIA

Address: 1 – E1, Jeelanabad Peerbagh

Srinagar, Jammu & Kashmir (India) 190014

Mobile: +91 9596588250

e-mail: skhuroo@gmail.com; khuroogi@gmail.com

Passport No: N2765581

Registration No:

DNB-SGE: **3791/18-11-2017** (Additional Qualification: J&K State Medical Council)

DNB-Surgery: **2163/05-06-2014** (Additional Qualification: J&K State Medical Council)

MBBS: **9218/ 15-06-2006** (J&K State Medical Council)
36611 (Delhi Medical Council)

ORCID: 0000-0002-2336-9172

EDUCATION & QUALIFICATION

Sub-specialty:

DNB - GI Surgery: National Board of Examinations: Seth GS Medical College & King Edward Memorial Hospital, Mumbai.

April 2012 to April 2015

Specialty:

DNB - General Surgery: National Board of Examinations (NBE) at Northern Railways Central Hospital, New Delhi.

Feb 2008 to Feb 2011

Fellowships:

Fellow American College of Surgeons (FACS) - 2022

Fellow Indian Association of Gastro Endoscopic Surgeons (FIAGES) - 2014

Fellowship in Minimal Access Surgery (FMAS) – 2013

Medical School:

MBBS: Government Medical College Srinagar J&K, India **1999-2005**

Internship: Government Medical College & Associated Hospitals Srinagar, J&K India **April 2005 -April 2006**

SCHOLARSHIPS & AWARDS

B Braun Medical Trust Foundation. Outstanding achievement in postgraduate medical studies in the field of *GastroSurgery*. 2012

BHARAT GAURAV PURASKAR. Outstanding achievements and remarkable contribution in the field of Surgery. KTK Outstanding achievers & Education foundation. 2024

LOYALTY SERVICE AWARD. Service and invaluable contributions for patient care & organisation. Narayana Health. 2024

I CAN Foundation & Hypedge Network, India. Most Compassionate Doctor of Year. 2024

TRAINING APPOINTMENTS

SKIMS is a 700 bedded tertiary care hospital with MCI recognized undergraduate, postgraduate and superspecialty training courses. The department has a NBE accredited program for training of 2 trainees per year in Surgical Gastroenterology.

Jan 2016 - Jan 2017

Specialist Surgical Gastroenterology and Minimal Access Surgery at Noora Hospital, Srinagar. Noora Hospital is a multispeciality hospital with modular OR, ICU and well-equipped endoscopic suite.

May 2015 - Jan 2016

Senior Resident in specialty of General Surgery at Northern Railway Central Hospital, New Delhi, a tertiary care centre with an annual intake of two primary DNB postgraduate trainees in Surgery through National Board of Examinations.

July 2011 - Apr 2012

RESEARCH EXPERIENCE

Single port Laparoscopic CAPD catheter placement – Outcomes

Functional & Morphological changes following hepatic resection.

Intravesical immunotherapy in superficial transitional cell bladder cancer.

Expression of HER-2 Neu in Transitional cell carcinoma of Urinary Bladder.

TEACHING EXPERIENCE

Faculty - GI & HPB Fellowship: Department of Surgical Gastroenterology, HPB & GI oncology, SMVD Narayana Superspecialty Hospital, Katra. Postdoctoral fellowship in GI & HPB Surgery under the aegis of IHPBA (Asia/Pacific). **(2022- Present)**

Senior Registrar: Surgical Gastroenterology: Sher-i-Kashmir Medical Institute of Medical Sciences, Soura Srinagar. Involved in teaching and training of Postgraduate DNB trainees in Surgical Gastroenterology and General Surgery. **(2016 - 2017)**

Registrar: Surgical Gastroenterology: Seth GS Medical College & KEM Hospital, Mumbai. **(2012 - 2015)**

Senior Resident: Northern Railway Central Hospital, New Delhi. Involved in teaching and training of Postgraduate DNB trainees in General Surgery, junior residents and interns. **(2011 - 2012)**

CLINICAL EXPERIENCE

Assisted Supramajor surgeries like Complex Hepatic resections, Shunt & Devascularisation for portal hypertension, Esophageal Reconstruction procedures (Colonic & Gastric conduits) for Corrosive strictures.

Assisted in Living and Deceased Donor Liver Transplants.

Assisted in advanced Laparoscopic surgeries including Laparoscopic Sleeve gastrectomy, Laparoscopic colonic resections, Laparoscopic LAR, Laparoscopic Fundoplication, Laparoscopic Splenectomies.

Performed GI surgeries and routine General surgeries including major and minor surgical procedures:

Upper GI surgery: Gastrectomies, Esophagectomies, Esophageal stricture dilatation, Esophageal diversion.

HPB surgery: Pancreaticoduodenectomy, Lateral Pancreaticojejunostomy, Distal pancreatectomy, Liver resection, Hepatico-jejunostomy, Radical Cholecystectomies, Hydatid cyst surgeries

Colorectal surgery: Colectomies, Anterior Resection, Hartmann's procedure, Altmier's procedure, Rectopexy, Hemorrhoidectomy, Fistulectomy, Sphincterotomy, Diversion stomas.

Minimal Access Surgery: Laparoscopic Cholecystectomy, Appendectomy, Diagnostic & Screening laparoscopy, Laparoscopic Ventral Hernia repair (IPOM), Laparoscopic inguinal hernia repair (TAPP), Laparoscopic ileostomy/colostomy, Laparoscopic assisted CAPD placement, MIPH.

Endoscopic procedures: Diagnostic and therapeutic Upper & Lower GI Endoscopies, PEG placement.

Advanced Trauma Life support and Basic Life support

POSTER PRESENTATIONS

- Prognostic value of Lymph Node yield after pancreaticoduodenectomy for Periapillary malignancies. **XXIV National Conference of Indian Association of Surgical Gastroenterology 2014**
- Primary Hepatic Neuroendocrine tumour - A case series. **2nd International Liver Symposium. 2014**
- Predictors of malignancy in Indeterminate Pancreatic Head mass. **IHPBA India 2014**
- Factors affecting outcome of surgery in Severe Acute Pancreatitis. **XXIII National Conference of Indian Association of Surgical Gastroenterology 2013**
- Uncommon causes of a common ailment - Rectal perforation and some other rare cases. **SURGICON 2009**

MEMBERSHIPS

Indian Association of Surgical Gastroenterology

Association of Surgeons of India

Association of Minimal Access Surgeons of India

Indian Association of Gastrointestinal Endo-Surgeons

The Upper Gastrointestinal Surgeons (TUGSS)

SPECIAL INTERESTS

Hepatobiliary surgery

Upper GI surgery

Portal Hypertension surgery

Minimal Access surgery

CAREER AIMS

I aim to practice as a Hepatobiliary and Upper GI surgeon with special interest in Laparoscopic surgery. I aim to provide safe and quality surgical services to my patients. I aim to continue with research work and learn new techniques and continue to teach and train other colleagues.
